Forecast for Thursday 03 Aug 2023

Weather: Some brightness to start otherwise often cloudy, best of any brightness across sheltered southern fells. The morning will be dry but showers will break out in the afternoon, these will be most frequent and heaviest across the eastern Fells.

Chance of cloud-free hill tops above 800m: 80%

Low cloud and visibility: Very good visibility with great air clarity outside of showers. Some patchy cloud above 800 metres developing in the morning, and cloud shrouding some of the highest tops in the afternoon as showers by pass.
